

LOUGHBOROUGH  
Amherst School

## **GCSE Subject Blocks for 2020/2021**

At Loughborough Amherst School the following subjects are compulsory:

English

English Literature

Mathematics

Science – Combined Science or Separate Sciences

Religious Education

All students will also participate in Non-examined Physical Education and PSHCCE lessons.

In addition a further three subjects from the option blocks below may also be studied:

Core Curriculum		Option A	Option B	Option C
English Language		Art	Food	Business
English Literature				
Maths		French	History	D&T
Combined Science	Separate Sciences			
RE		Music	PE	Geography
Physical Education				
PSHCCE				Spanish

**\*\* Please choose one subject only from each option block. \*\***

Educationally, we feel that it is not conducive to learning to have class sizes with less than five students working together at one time. Consequently it is school policy not to offer subjects at GCSE that less than five students opt to take.
